What is WecycleNYC?

At **WecycleNYC** we are committed to helping solve a worldwide environmental crisis where discarded clothing are either incinerated or dumped in landfills. We offer unique and customizable clothing repurposing and recycling programs to New Yorkers who want to make a difference. Together we can reduce waste and give unwanted clothing new life by getting them back into the circular economy.

Work with Us!

Wecycle Offers Multiple Unique Recycling Programs to fit your needs.

We work with:
Apartment Buildings
Schools
Gyms
Retailers
Wholesalers
Houses of Worship
Groups
And Many More!

Email us at Programs@wecyclenyc.com to find out more!

What Happens to the Clothing?

Nearly 100% of contributed clothing is reused and recycled.

FACTS:

Every year New Yorkers throw away nearly 200,000 tons of clothing, towels, blankets, shoes, handbags and other apparel. Together we can keep these items out of our landfills and make sure they get reused!

ABOUT RECYCLING CLOTHING.

Nearly 100% of clothing is recyclable.
15 million tons of used clothing waste is generated in the U.S. each year.

Join us in creating a cleaner and greener planet.
